## BQS/BQI Quality Report of TÜV Rheinland Polska Sp. z o.o. Construction Accompanying Quality Supervision

**Certificate no:** 27/2025/BQI

**Subject** Systemic sealing of a prefabricated bathroom module with reactive resin.

**Investor** **Procyon Construction S.A.**  
Metalowa 13  
73-102 Stargard  
Poland

meets the quality requirements in accordance with the reference procedure

**Reference procedure:** MS-0047675 Construction Quality Control

The certified facility has been subjected to the BQI quality control process at the design and construction stage and, according to Report No: 84984030\_20052025 dated 20 May 2025, meets its requirements. The certificate confirms the high quality of the work carried out and is valid together with a report on the completion of the facility, confirmed by a TÜV Rheinland inspector.
